

# DONARA GURGEN MELIKSETYAN

Teacher of Histology and Pathological Anatomy

Ph.D. in Biology

[belispiryan@gmail.com](mailto:belispiryan@gmail.com)

## **Education**

1970-1975 – Yerevan State University, Faculty of Biology

## **Scientific degree**

1992 – Ph.D. in Biology, “Post-traumatic regeneration of the thyroid gland in conditions of hypokinesia”

## **Work experience**

20.04.1977 - Senior laboratory assistant of the problem laboratory at Yerevan Zoo Veterinary Institute

13.10.1977-21.04.1979 – Senior laboratory assistant at the Chair of Histology (Yerevan Zoo Veterinary Institute)

01.02.1979-01.02.1994 - Assistant at the Chair of Histology and Pathanatomy (Yerevan Zoo Veterinary Institute)

15.09.1994 – 01.11.2006 – Associate Professor at the Chair of Histology and Pathological Anatomy of the Armenian Agricultural Academy

01.09.2006-present – Head of Cycle at the Chair of Morphology of the Armenian Medical Institute and a member of the AMI OSF

## **Lectures**

Histology and Pathological Anatomy

## **Area of expertise**

“Problems of regeneration of tissues and organisms of mammals in free conditions, in conditions of hypokinesia and with stimulation”

**Published scientific articles and manuals – 20 articles**

1. Comparative study of corneal regeneration in acid and alkaline burns; 1985, Moscow [Meliksetyan, Kadilov, Hovsepyan, Manukyan]
2. Reparative regeneration of rabbit skin in conditions of hypokinesia with a stimulant; 1985, Tbilisi [Meliksetyan, Mugnetsyan]
3. On the species specificity of granulotoxin as a stimulator of the reparative regeneration of sheepskin; 1986; Poltava [Meliksetyan, Mugnetsyan]
4. Stimulation of skin reparative regeneration in conditions of hypokinesia, 1987, Ulyanovsk [Meliksetyan, Kadilov, Mugnetsyan]
5. Methodology guidelines, 2005, Meliksetyan
